

We are your local Church of England (Anglican) church, part of Jesmond life since 1888, with a congregation from the locality, the city and the region. We aim to be friendly, diverse and to welcome all in Christ's name. Our worship is inclusive and warmly catholic, with high quality music. If you are new to this area, or would like to find out more, please get in touch—details below and overleaf.

LEADING YOUR CHURCH INTO GROWTH I warmly invite you all to develop St George's vision by joining both of two structured sessions in the Church Hall on Saturdays, 20th October and 10th November from 10.00am to 1.00pm. Please bring lunch to share afterwards from 1pm (a Crèche will be provided).

We will use a process developed over many years called **'Leading your Church into Growth Local'** which has successfully grown churches in numbers, in spirituality and in service to their local communities. Everyone - young, old, regular churchgoers, newcomers - are very welcome to help develop St George's vision, which builds on the good that has gone before; focusses our attention and energies; develops: our worship, our invitation and welcome, our engagement with the local community and wider world, our work with children, youngsters and young adults, nurtures disciples and which includes and draws in.

This sounds like a big "ask" but the PCC is committed to it and does not seek to do it all at once! 'Achievement' will come through focussing on what we are doing and doing it even better rather than doing more and we will need to prayer and ponder together:

God of Mission, you call us to share in your vision for the church and for the world: help is to hear your will and purpose for all creation; to welcome all who are searching, questioning and seeking; and to join in proclaiming your kingdom of justice, peace and love: in Jesus Christ our Lord. Amen.

Revd. Canon Brian Hurst, Vicar
