

We want to use the answers to your questions to mount an exhibition next spring. Please be aware of this in what you write.

My name is:

How long have you been coming to St Georges?

What do you like best about this church?

What is your favourite bible verse/ story? Why?

What do you mostly do from Monday to Saturday (this might be paid work, learning, volunteering, or particular hobbies or interests)? Explain a bit about your average day/ week

Please provide a photo (preferably digital) that gives us some idea of that activity.

What is the best thing about that activity?

Where do you think God might be in that activity?

How could the church help you in what you do during the week?

Thank you – please drop this form into the office or email to pauline@stgeorgesjesmond.org.uk
